

2023 Public Health Nursing Conference
Advancing Health Equity to Improve Public Health Outcomes

November 2-3, 2023
Hancock Hotel - Findlay, Ohio

WHO SHOULD ATTEND? ALL Public Health Nurses, including supervisors and directors, as well as nursing faculty and students, and other professionals - interested in public/population health and employed in public/population health nursing.

LEARNER OUTCOME: The foundations of public health nursing practice will be reaffirmed through sharing of ideas, experiences, and education on current topics presented. Participants will expand their public health nursing knowledge and network which will assist them to identify best practices and successfully develop and implement nursing interventions.

For information regarding nursing continuing education contact hours, please contact John Willford at jmwillford@columbus.gov
